

REMARKS

Claim 5 is currently amended to correct a typing error in making the amendment in the paper mailed January 14, 2004. The words "curved surfaces" were inadvertently omitted from the claim.

The proposed amendment will not introduce new matter and will not raise new issues for consideration. The omitted words appear in claim 1 and were originally provided in claim 5 as filed, when claim 5 included a "wavy curved surface". The "curved surfaces" language was inadvertently deleted in a prior amendment and the error was carried forward. Entry of the amendment to claim 5 to correct the typing error is respectfully requested.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Christine R. Ethridge", is written over a horizontal line.
